Land Use and Sustainability in Europe: From Policy to Practice

L'iscrizione a questo corso è possibile solo su invito

About this course

"Land Use and Sustainability in Europe: From Policy to Practice" is a comprehensive online course that explores how land is used, managed, and transformed across Europe in the context of climate change, biodiversity loss, and evolving socio-economic pressures.

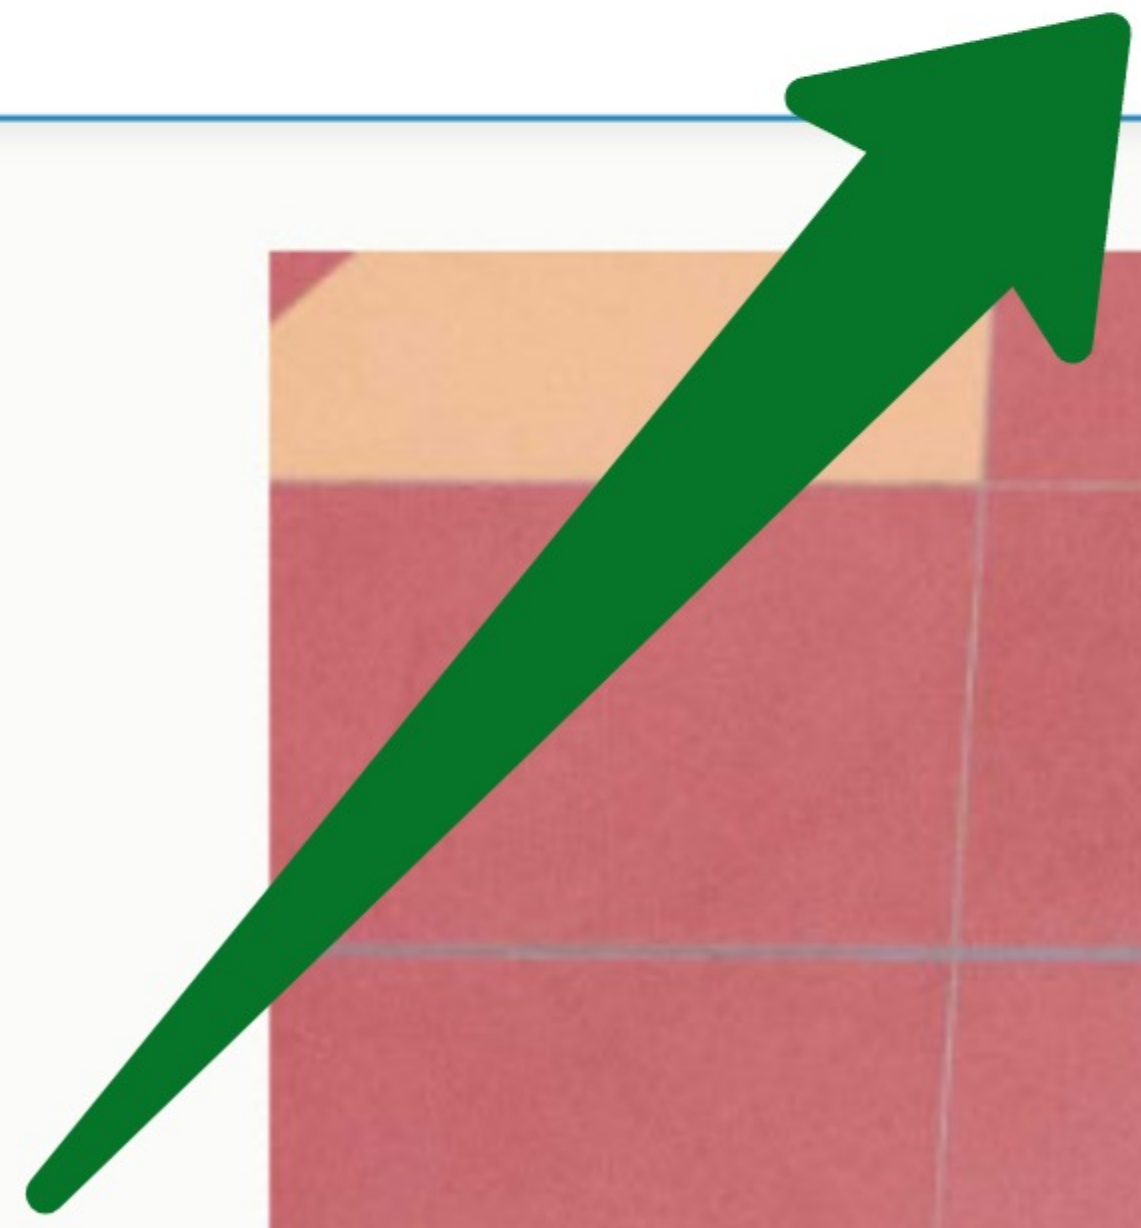

Drawing on the interdisciplinary expertise of the Europe-LAND consortium, the MOOC offers an integrated learning journey from understanding historical land-use drivers and stakeholder dynamics to exploring future scenario modelling and policy approaches for sustainable land governance.
